

NEW PHOTO DIRECTORY ALBUM

Father Mark and the OLOS Parish Council are excited to announce the creation of a new photo directory album of our church family. This album will be an ideal way for all of us to connect names with faces and to capture a cherished time capsule of our church congregation. The last album was published approximately ten years ago to tremendous accolades. This new album will include recent photos of memorable personalities such as Father Arek, Father Leo, Father Jude and others who have contributed to the well-being of our Parish.

This is also a fund raiser for OLOS wherein Olan Mills actually pays the Church for the privilege of taking each of your portraits. Wow!

There is no cost to you to participate. Not even a “suggested donation”! All you have to do is make an appointment to have your family’s portraits taken at the Church Hall by a professional photographer. The actual photography dates will be between February 7th and February 17th. For the next several weeks following Masses, volunteers will be attending tables at the Church entrances to take your time slot reservations. You might want to sign-up as soon as possible in order to get your preferred appointment time.

Every sitting participating family or household will choose and receive a free 8 X 10 custom portrait as well as the new photo directory album. The choice of dress is yours. Just remember that ten years from now, you’ll be looking back at the way you were in Year 2012.
